- 7.3 In the event that the Background Checks provide the Agency with an adverse finding in respect of a Provisional Winning Bidder then the Agency shall:
- (a) Not complete the sale of the Subsidiary with the Provisional Winning Bidder in question; and
 - (b) Not be responsible or liable for any consequential loss or damage to the Provisional Winning Bidder in question; and

- (c) Return to the Provisional Winning Bidder in question the Initial Payment.

11. Ranking of Bids and Bid Selection

11.1 Subsequent to the submission of Bids by the Eligible Bidders, in accordance with section 10.2, the Agency shall identify the Highest Bid Price submitted by the Highest Bidder, in accordance with section 10.4.

11.2 The Agency shall only complete the sale of the Subsidiary at the Highest Bid Price.

11.3 Subject to any other requirements set out in these Rules of Tender, the sale of the Subsidiary will be progressed with the Highest Bidder on the following terms:

- (a) Within **3** Business Days of the Bid Submission Period the Agency shall notify the Highest Bidder that it is the Provisional Winning Bidder;

- (c) If, for whatever reason, the Highest Bidder does not pay the Initial Payment into the Designated Account, within **20** Business Days of notification by the Agency to the Highest Bidder that it is the Provisional Winning Bidder, then the Highest Bidder shall forfeit its right to complete the purchase of the Subsidiary and its Bid Deposit;

- (d) The Agency shall arrange to carry out the Background Checks in respect of the Highest Bidder and the Agency shall notify the Highest Bidder of the findings of the Background Checks;
- (e) In the event that the Background Checks provide the Agency with an adverse finding in respect of the Highest Bidder, then the Agency shall notify the Highest Bidder and act in accordance with section 7.3 and the Agency shall proceed to contact the Second Highest Bidder in accordance with section 11.4.
- (f) In the event of there being **no** adverse finding from the Background Checks in respect of the Highest Bidder, then the Agency shall notify the Highest Bidder and the Highest Bidder shall pay the **75%** (seventy five percent) balance of the Highest Bid Price into the Designated Account within **10** (ten) Business Days of the Agency notifying the Highest Bidder of the results of the Background Checks;
- (g) If, for whatever reason, the Highest Bidder **does not** pay the **75%** (seventy five percent) balance of the Highest Bid Price into the Designated Account within **10** (ten) Business Days of the Agency notifying the Highest Bidder of the results of the Background Checks, then the Highest Bidder shall forfeit its right to complete the purchase of the Subsidiary and its Bid Deposit.

11.4 In the event that the sale of the Subsidiary is **not to be completed with the Highest Winning Bidder**, then the PAK will contact the Second Highest Bidder, in writing, to enquire if the Second Highest Bidder wishes to complete the purchase of the Subsidiary at the Highest Bid Price. The Second Highest Bidder shall notify the Agency, in writing, within **3** Business Days of the Agency communicating its enquiry to Second Highest Bidder, whether the Second Highest Bidder wishes to complete the purchase of the Subsidiary at the Highest Bid Price. If the PAK receives no such notification, in writing, from the Second Highest Bidder then the PAK shall be entitled to treat the failure of the Second Highest Bidder to reply as a rejection of the Agency's invitation to complete the purchase of the Subsidiary at the Highest Bid Price. Where the Second Highest Bidder does not wish to complete the purchase of the Subsidiary at the Highest Bid Price the Agency shall proceed to contact the Third Highest Bidder in accordance with section 11.6.

11.5 Subject to section 11.4 and any other requirements set out in these Rules of Tender, the sale of the Subsidiary will be progressed with the Second Highest Bidder on the following terms:

- (a) Within 1 Business Day of the Agency receiving notification, in writing from the Second Highest Bidder that the Second Highest Bidder wishes to complete the purchase of the Subsidiary at the Highest Bid Price, the Agency shall notify the Second Highest Bidder that it is the Provisional Winning Bidder;
- (b) In the event that the Bid Deposit had already been repaid to the Second Highest Bidder, in accordance with section 9.3, then, within 2 Business Days of

notification by the Agency to the Second Highest Bidder that it is the Provisional Winning Bidder, the Second Highest Bidder shall transfer the Bid Deposit to a bank account designated for that purpose by the Agency;

- (c) Within 10 Business Days of notification by the Agency to the Second Highest Bidder that it is the Provisional Winning Bidder, the Second Highest Bidder shall pay the Initial Payment into the Designated Account;
 - (d) If, for whatever reason, the Second Highest Bidder does not pay the Initial Payment into the Designated Account, within 10 Business Days of notification by the Agency to the Second Highest Bidder that it is the Provisional Winning Bidder, then the Second Highest Bidder shall forfeit its right to complete the purchase of the Subsidiary and its Bid Deposit;
 - (e) The Agency shall arrange to carry out the Background Checks in respect of the Second Highest Bidder and the Agency shall notify the Second Highest Bidder of the findings of the Background Checks;
 - (f) In the event that the Background Checks provide the Agency with an adverse finding in respect of the Second Highest Bidder, then the Agency shall notify the Second Highest Bidder and act in accordance with section 7.3 and the Agency shall proceed to contact the Third Highest Bidder in accordance with section 11.6.
 - (g) In the event of there being no adverse finding from the Background Checks in respect of the Second Highest Bidder, then the Agency shall notify the Second Highest Bidder and the Second Highest Bidder shall pay the 75% (seventy five percent) balance of the Highest Bid Price into the Designated Account within 10 (ten) Business Days of the Agency notifying the Second Highest Bidder of the results of the Background Checks;
 - (h) If, for whatever reason, the Second Highest Bidder does not pay the 75% (seventy five percent) balance of the Highest Bid Price into the Designated Account within 10 (ten) Business Days of the Agency notifying the Second Highest Bidder of the results of the Background Checks, then the Second Highest Bidder shall forfeit its right to complete the purchase of the Subsidiary and its Bid Deposit.
- 11.6 In the event that the sale of the Subsidiary is not to be completed with the Highest Bidder or the Second Highest Winning Bidder, then the PAK will contact the Third Highest Bidder, in writing, to enquire if the Third Highest Bidder wishes to complete the purchase of the Subsidiary at the Highest Bid Price. The Third Highest Bidder shall notify the Agency, in writing, within 3 Business Days of the Agency communicating its enquiry to Third Highest Bidder, whether the Third Highest Bidder wishes to complete the purchase of the Subsidiary at the Highest Bid Price. If the PAK receives no such notification, in writing, from the Third Highest Bidder then the PAK shall be entitled to treat the failure of the Third Highest Bidder to reply as a rejection of the Agency's invitation to complete the purchase of the Subsidiary at the Highest Bid Price. Where the Third Highest Bidder

does not wish to complete the purchase of the Subsidiary at the Highest Bid Price then section 11.8 shall apply.

- 11.7 Subject to section 11.6 and any other requirements set out in these Rules of Tender, the sale of the Subsidiary will be progressed with the Third Highest Bidder in a manner similar to that set out in section 11.5. In such cases the term Second Highest Bidder will be replaced in section 11.5 by the term Third Highest Bidder.
- 11.8 Without limiting the generality of section 15.1 and without prejudice to any of other causes of postponement or cancellation of the Tender set out in these Rules of Tender in the event that a sale to the Highest Bidder, the Second Highest Bidder or the Third Highest Bidder of the Subsidiary is not achievable, in accordance with the requirements of this section 11, then the Agency shall be entitled to postpone or cancel the Tender as it sees fit.
- 11.9 Notwithstanding anything in sections 11.3 and 11.5 respectively no Provisional Winning Bidder shall forfeit their Bid Deposit for failing to progress the purchase of the Subsidiary or for failing to make the payments required within the time limits set down under sections 11.3 and 11.5 respectively if the Provisional Winning Bidder can provide objective independent evidence, to the satisfaction of the Agency, that such failures are as a result of intimidation, duress or threats.
- 11.10 In the event that there are two or more Bids are submitted by Eligible Bidders, containing identical Bid Prices, then the ranking of the Bids will be determined as follows:
- (a) If one of the Bids has participation by an employee or employees of the SOE, then such Bid shall have priority; or
 - (b) If none of the Bids or more than one of the identical Bids has participation by an employee or employees of the SOE, then priority shall be given to the earliest submitted Bid among the Bids; and

the Agency's determination(s) as to whether a Bid has participation by an employee or employees of the SOE and/or the timing of the receipt of bids shall be final and may not be appealed to a court or other organ.

- 11.11 The funds used by a Provisional Winning Bidder to pay the Highest Bid Price shall not be paid in cash and shall not come from any FATF blacklisted jurisdiction.

12. Modification, Withdrawal Late Submission of Bids

An Eligible Bidder may not modify any aspect of its Bid (except with the Agency's written permission) or withdraw its Bid after the Bid has been submitted to the Agency. No Bids will be accepted after the end of the Bid Submission Period.

13. Negotiation of the Share Sale Agreement

- 13.1 The Agency and the Provisional Winning Bidder shall each use all reasonable endeavours to execute the Share Sale Agreement within **90 Business Days** from the date of notification by the Agency to the Provisional Winning Bidder that it is the Provisional Winning Bidder.
- 13.2 The Agency may in its sole discretion, on notice to the Provisional Winning Bidder, extend the period of time referred to in section 13.1, if the Agency believes that additional time is reasonably necessary for the purposes of negotiating the terms of the Share Sale Agreement or as a result of some other circumstances resulting in delay, such as (but not limited to) the Background Checks.
- 13.3 The Provisional Winning Bidder shall use its best efforts to conclude the Share Sale Agreement and any related documents with the Agency.
- 13.4 Negotiations between the Agency and the Provisional Winning Bidder pertaining to the Share Sale Agreement shall be kept to a minimum and the Provisional Winning Bidder may not require the alteration of the Highest Bid Price, the Tendered Items nor require the material alteration of any representations and warranties or any other material terms of the Share Sale Agreement or related documents.
- 13.5 If the negotiations between the Agency and the Provisional Winning Bidder, pertaining to the Share Sale Agreement, are (in the reasonable opinion of the Agency) unsuccessful within the period of time referred to in section 13.1 (or any extension of that time period) then the Agency shall be:
- (a) Entitled to determine that it is not possible to complete the sale of the Subsidiary to the Provisional Winning Bidder in question on terms agreeable between that Provisional Winning Bidder and the Agency; and
 - (b) The Agency will notify the Provisional Winning Bidder that the negotiation process has been terminated and all sums paid by the Provisional Winning Bidder, exclusive of the Bid Submission Fee, will be returned to the Provisional Winning Bidder **PROVIDED** that in the event that the Agency determines that the Provisional Winning Bidder has not used its best efforts to conclude the Share Sale Agreement and any related documents, in accordance with section 13.3, then the Provisional Winning Bidders shall forfeit the Bid Deposit; and
 - (c) The Agency may, at its sole discretion, contact the next Eligible Bidder entitled to be notified that it is the Provisional Winning Bidder, in writing, to enquire if that Eligible Bidder wishes to complete the purchase of the Subsidiary at the Highest

Bid Price. In such circumstances the relevant provisions of section 11 will determine the manner of progressing the sale of the Subsidiary.

14. Execution of the Share Sale Agreement

- 14.1 The Share Sale Agreement and any related documentation shall be signed by an authorised representative of the Agency and an authorised representative of the Provisional Winning Bidder respectively. The Agency may require the authorised representative of the Provisional Winning Bidder to provide the Agency with evidence of the authority of the authorised representative of the Provisional Winning Bidder to sign the Share Sale Agreement and related documentation on behalf of the Provisional Winning Bidder.
- 14.2 For the avoidance of doubt, the Share Sale Agreement and any related documents shall not be signed between the Agency (on behalf of the SOE) and the Provisional Winning Bidder until the total amount of the Highest Bid Price plus the Initial Charter Capital has been paid to the Agency, to the satisfaction of the Agency.

15. Postponement or Cancellation of Tenders

- 15.1 The Board may postpone or cancel the Tender at any time and for any reason in its sole discretion.
- 15.2 Without limiting the generality of section 15.1 and without prejudice to any of other causes of postponement or cancellation of the Tender set out in these Rules of Tender, the Board may take a decision to direct the Agency to postpone or cancel the Tender, in the following circumstances:
- (a) In the event that no Bids are received that satisfy the criteria and conditions set out in these Rules of Tender;
 - (b) If fewer than three Potential Bidders are registered as Eligible Bidders pursuant to section 6 of these Rules of Tender;
 - (c) If fewer than three Bids are submitted by Eligible Bidders during the Bid Submission Period;
 - (d) If, in the Board's judgment, the Highest Bid Price bears no rational relation to the perceived value of the Tendered Items and the Subsidiary. In such a case, the Board has the additional discretion to postpone the determination of the Provisional Winning Bidder until a later date.
 - (e) If the Agency receives indications of or suspects any collusion amongst Bidders, the use of coercion or threats by a Bidder or Bidders to dissuade the participation

in any aspect of the Tender by other Bidders or to affect the contents of another Bidder's Bid, or any illegal or improper activity performed in connection with the Tender by any person.

15.3 Where the Tender is cancelled, for whatever reason:

- (a) The Agency shall notify all Eligible Bidders, in writing, of the cancellation;
- (b) The Agency shall not be held responsible for any costs or liabilities incurred by any Bidder or third parties;
- (c) All Bid Deposits received and any other funds received by the Agency (except for the Bid Submission Fees) shall be returned by the Agency within 15 Business Days of the date of cancellation **PROVIDED** that Bid Deposits will not be returned by the Agency to any Bidder that has forfeited their Bid Deposit in a manner provided under these Rules of Tender.

16. Agency's Reservation of Rights

16.1 *Amendments to Time Limits*

The Agency may at the Agency's absolute and sole discretion extend or amend any time limit referred to in these Rules of Tender, where the Agency believes that additional time is reasonably necessary for the purposes of successfully completing the sale of the Subsidiary or as a result of some other circumstances resulting in delay.

16.2 *Amendments to Tender Requirements*

The Agency reserves the right to amend, modify, or terminate any of the procedures set out in these Rules of Tender at any time during the Tender, without prior notice and at no cost or liability to the Agency. Amendments to these Rules of Tender shall be issued in writing by the Agency and shall be made public and a copy of the amended Rules of Tender shall be sent to each Eligible Bidder.

16.3 *Rejection of Winning Bidder*

The Agency may reject a Provisional Winning Bidder's Bid if the Agency becomes aware that information contained in the Provisional Winning Bidder's application for registration as an Eligible Bidder or any of the information in Provisional Winning Bidder's Bid is false. In such a case the Agency will not be required to progress the sale of the Subsidiary with the Provisional Winning Bidder and the Agency will cease the negotiation of the Share Sale Agreement with the Provisional Winning Bidder. Additionally, the Provisional Winning Bidder will forfeit its Bid Deposit and the Agency shall then be entitled to contact the next Eligible Bidder entitled to be notified that it is the Provisional Winning Bidder, in writing, to enquire if that Eligible Bidder wishes to

complete the purchase of the Subsidiary at the Highest Bid Price. In such circumstances the relevant provisions of section 11 will determine the manner of progressing the sale of the Subsidiary.

16.4 *Contractual Relationship*

- (a) The Rules of Tender are not intended to constitute a memorandum of agreement between the Agency and Bidders. Accordingly, no contract shall be deemed to exist between the Agency and a Bidder due only to the participation of such a Bidder in any aspect of the Tender.
- (b) Until the entry into force of an executed Share Sale Agreement, there shall be no contract in effect between the Agency and the Provisional Winning Bidder and neither the Agency nor the SOE shall be bound in any way to the Provisional Winning Bidder. Further, the terms of the Information Memorandum or other Tender Documents shall not be construed as an offer.

16.5 *Disclaimer*

To the extent permitted by Applicable Law, the Agency and its representatives expressly disclaim:

- (a) any and all liability for representations, warranties or statements contained in any written material (including without limitation the Information Memorandum and the contents of any data room) furnished or in any information orally transmitted to a Bidder; and
- (b) any representations or warranties implied by any law.

16.6 *Language*

These Rules of Tender have been prepared in Albanian , Serbian and English language as well.

16.7 *Possibilities for annulment of the sales contract*

Notwithstanding article 10.5 of UNMIK Regulation No. 2002/13 on establishment of the Special Chamber of Supreme Court of Kosovo or other provisions of the applicable law, should it be determined that (a) the funds used by a Provisional Winning Bidder to purchase the new subject derived directly or indirectly from illegal activity; or (b) the Buyer was involved in collusion during the Tender or any other violation of the Rules of Tender, then the Share Sale Agreement shall be annulled by the Agency.

17. Dispute Resolution

- 17.1 Subject to section 17.2 below, the decisions of the Agency arising under these Rules of Tender or the Tender generally shall be final and shall not be appealed to any court or other organ. Bidders shall not be entitled to file a claim in any court within or outside Kosovo, either to reverse a decision of the Agency or for compensation for costs or liabilities arising as a result of a decision of the Agency, so far as allowed by Applicable Law.
- 17.2 Notwithstanding the preceding clause, the parties acknowledge and agree that the Special Chamber of the Supreme Court of Kosovo shall have exclusive and final jurisdiction over the Agency.
