Article 2

Legal validity and interpretation of the Rules of Tender

- 2.1. The Rules of Tender are binding for the Agency and for any other person who participates or is included in the liquidation procedures, according to the Rules of Tender. For a bid to be considered, it should be in accordance with the Rules of Tender. Upon participation at any stage of the tender or upon submitting a bid, the bidder agrees and undertakes measures to undergo conditions and procedure set out by the Rules of Tender
- 2.2. The Rules of Tender are interpreted reflecting the Agency Law and applicable Operational Policies. In case a provision of the Rules of Tender is in contradiction to the Agency Law or Operational Policies, then the Agency Law prevails, respectively the Operational Policies
- 2.3. Any reference to the masculine gender includes reference to the feminine gender and any reference to the neuter gender includes the masculine and feminine genders ;
- 2.4. Any reference to the singular includes reference to the plural, and vice versa, except if from the context it may not be interpreted so.

- 2.5. Headings are inserted for convenience only and do not affect the structure or interpretation of these Rules of Tender.

Article 3

General aspects of liquidation process

3.1. General overview of Agency's role

Privatisation Agency of Kosovo ("Agency") is an independent public institution of the Republic of Kosovo exercising its functions and responsibilities with full autonomy in compliance to the Law on Agency, Operational Policies of the Agency, these Rules of Tender and other applicable legal and sub normative acts in the Republic of Kosovo. The Agency has the mandate to administer Enterprises and assets as stipulated by the Law on Agency including the right to sell, transform and/or their liquidation. The Agency enjoys full juridical personality and may sue or be sued in a court procedure any other similar procedure.

3.2. Sale structure and bid statement

Tendered item shall be tendered for sale through international public auction in compliance to procedures set out in Rules of Tender. There shall be one bidding round and these rules stipulate procedures that govern the tender including method whereby potential bidder may be registered as eligible bidder, information and documents to be included in the bid, highest bid identification and method to proceed with tendered item to the potential winning bidder.

In order to consider a bid, the bidder must be in accordance to Rules of Tender. Bidders' participation at any moment of the tender or through submitting the bid, the bidder complies and undertakes in compliance with these rules of tender.

Upon submitting a bid, the bidder must emphasize what tendered item he is competing and must submit the bid price.

3.3. Sale is performed in accordance to the highest bid price

The Agency shall sell tendered items only with highest bid price. Highest bidder shall have the right to buy tendered items only by highest bid price. If for any reason the sale does not proceed with the highest bidder, the second highest bidder by complying to these rules of tender shall have the opportunity, but is not obliged to purchase tendered item with highest bid price.. If for any reason the sale does not proceed with the second highest bidder, the third highest bidder by complying to these rules of tender shall have the opportunity, but is not obliged to purchase tendered item with highest bid price

3.4 Tender schedule

The Agency shall designate the tender schedule (which is attached to the Rules of Tender, Annex A). Bidder must consult the tender schedule and obtain information regarding terms and dates set by it and comply with them during the tender process.

Article 4

Prohibited bidders

4.1. For the purpose of this tender, the following bidders shall be prohibited from bidding:

- (a) Public or socially-owned enterprises
- (b) Government and governmental institutions of Republic of Kosovo, independent public agencies and institutions and persons or other entities that are under ownership or under their control.
- (c) Government, governmental institutions, agencies and other public institutions of any country as well as other persons or entities that are in their ownership or their control.
- (ç) Natural and legal persons, business organizations or corporations that possess legal personality that:
 - (i) have been charged with criminal acts for which law determines maximum sentence with imprisonment, over one year and/or
 - (ii) have been convicted for criminal acts with imprisonment over one year.
- (d) Natural or legal persons that have occupied socially-owned immovability against whom the Agency or SOE has initiated court proceedings for release of property and/or compensation of eventual damages.
- (e) Natural or legal persons that: (i) did not respect terms of contract with the Agency or any enterprise administered by the Agency (existence and nature of that disregard shall be determined by the Agency in its sole discretion , (ii) have outstanding debt or penalty towards the Agency or any enterprise administered by the Agency, , (iii) natural or legal persons who did not settle the penalty determined by the Agency or that are subject to any claim or dispute (regardless whether such matter is submitted before the court or elsewhere);
- (f) natural or legal persons which based on reasonable Agency's opinion:
 - (i) are included in any collusion or any other illegal or irregular activity and subsequently the Agency has cancelled any privatisation or liquidation tender;
 - (ii) in any other way have violated tender regulations for any privatisation or liquidation tender organized by the Agency; or
 - (iii) have withdrawn from their position of provisional winning bidder in a privatisation or liquidation tender more than (1) once, by failing to deposit the price of their winning bid within deadline requested by the Agency or through their refusal to sign sale documents, during any privatisation tender organized by the Agency, after privatisation "Wave 7" or during any liquidation tender organized by the Agency;
- (g) Natural persons acting in the capacity of an Agent for any person or subject stated in article 4.1 from item (a) to (g) or any Agent who did not reveal persons representing as required by these rules of tender;

- (h) Legal subjects whereby beneficial owners or their controlling persons belong to categories stipulated in 4.1 from item (a) to (h) above;
 - (i) Legal subjects whereby owners, beneficial persons or their controlling persons have been or are owners, beneficiaries or controlling persons to any other legal subject, which belongs to any of the categories stipulated in article 4.1, item (a) to (g).
- 4.2.** Any bid submitted by a prohibited bidder shall be disqualified regardless of the fact such bid is in full compliance to terms and conditions set out in Rules of Tender.

Article 5

Due diligence

- 5.1.** Every potential bidder is responsible to carry out due diligence in regard to SOE or tendered items in order to obtain necessary information.
- 5.2.** Agency established electronic files about the SOE or tendered items. The Agency shall grant potential bidders access to information and documents in the electronic file,
- 5.3.** The Agency shall solely be responsible to coordinate bidder's access to the electronic files. Potential bidders may gain access to the electronic files only during days and times specified in the tender schedule. If any person acts or conducts in a manner that would doubt his sincerity as stakeholder, the Agency may deny him the access to electronic files.
- 5.4.** Acting pursuant to requirements of potential bidders, the Agency shall make reasonable endeavours, within boundaries of its administrative resources that prior to submitting bids, enable them to visit the location of the SOE and tendered items.
- 5.5.** The Agency shall solely be responsible to coordinate visits of potential bidders to the site and spaces of the SOE and tendered items. Potential bidders may visit the location and spaces of the SOE and tendered items only during days and times specifies in the tender schedule. If any person acts or conducts in a manner that would doubt his sincerity as stakeholder, the Agency may deny him the access to the location and spaces of the SOE and tendered items.
- 5.6.** Potential bidders shall not contact the SOE directly. Presenting issues and setting meetings shall be done only through the Agency.
- 5.7.** Upon submitting the bid, potential bidder must confirm and affirm before the Agency in written, the opportunity and conditions were made possible by the Agency to perform due diligence and independent appraisal regarding SOE, tendered items and all the information and documents located in the electronic files.
- 5.8.** Failure to perform due diligence and independent appraisal regarding SOE, tendered items as well as regarding any and all the information and documents located in the electronic file, does not release the potential bidder of his obligations bestowed upon him by the sale contract and other

respective documents. The Agency or SOE shall not assume responsibility for the appraisal and conclusions made by any bidder after independent due diligence, after his appraisal of the SOE and tendered items and after due diligence and assessment of the information and documentation presented in electronic files.

- 5.9. Any bid depending on further due diligence, other investigation or on another bidder's bid shall be deemed incomplete and unacceptable to the Agency.
- 5.10. As a result of circumstances in Kosovo is well-known and confirmed by all respective parties that a part of information and documentation regarding the SOE and tendered items may have been lost, destroyed or misplaced by the location and spaces of the SOE and may be considered unavailable. For this reason, potential bidders are reminded that any information document analysis may be incomplete and must be accompanied by a thorough assessment of the SOE and tendered items. The Agency or the SOE do not assume responsibility or obligation regarding any deficiency in the information and documents available in connection to the SOE or tendered items.
- 5.11. The Agency is not required to translate any of the information or document related to the SOE, the subsidiary and tendered items. Potential bidder is responsible for every interpretation or translation of information or documents during due diligence. Persons providing interpretation and translation services to potential bidders must comply with the obligation for maintaining business confidentiality stipulated by these rules of tender and the Agency requires those persons to sign the confidentiality agreement.
- 5.12. Potential bidders must sign the confidentiality agreement included in the tender documents and return it to the Agency prior to allowing access to the bidder to information and documentation in the electronic file or visit the location and spaces of the SOE and tendered items in order to perform due diligence. Likewise, potential bidders are required to comply with electronic file access regulation prior to having been allowed access.

Article 6

Obtaining tender documents

- 6.1. Potential bidders are allowed to obtain copies of tender documents.
- 6.2. Tender notice instructs potential bidders to contact certain office within the Agency to obtain respective tender documents in due time.
- 6.3. Tender documents include: tender notice, Rules of Tender, Information Memorandum ; confidentiality agreement signed by potential bidder and the Agency and other documents the Agency deems as necessary.
- 6.4. Information Memorandum is a document prepared by the Agency containing different information related to the SOE including: a brief background of the SOE; business activity summary; key assets; a background of tendered items, a brief summary of current liabilities of the SOE that are to be transferred to the subsidiary, a brief summary of contracts of the SOE transferrable to the subsidiary, and other information deemed significant by the Agency's personnel.

- 6.5. Information Memorandum has an informative nature and as such is not an offer.
- 6.6. The Agency shall endeavour to secure tender documents for potential bidders within a reasonable time from admission of the request for tender documents. When tender documents are delivered to potential bidders via electronic mail or regular mail, those are free of charge. Potential bidders wishing to obtain tender documents in any other method shall bear the delivery costs of such other method.

Article 7

Eligibility registration procedure

- 7.1. Potential bidder must submit to the Agency the request for eligibility registration at least prior to the date stipulated in Annex A as the pre-qualification deadline.
- 7.2. Any potential bidder must offer to the Agency documented proof, as specified in forms attached to Annex E, to the extent that the Agency, at its discretion, shall deem acceptable, that the potential bidder satisfies the following criteria:
- (a) That he or an Affiliated Company has 5 years of proven track record in battery business, including production and sales;
 - (b) That he or an Affiliated Company has a capable professional manager with at least 10 years of experience in this sector.
- and
- (c) That he or an Affiliated Company should have an annual turnover of 2.000.000 € (twomillioneuro) for 3 (three) consecutive years.

In case the Potential Bidder has an Affiliated Company, as defined in Article 1 of these Rules of Tender, on definition on Affiliated Companies, the potential Bidder must provide the Agency with a copy of a written instrument which is legally binding regulating the relation of the potential Bidder with such affiliated company, and that document must include information provided with sub/articles (a)-(d) of Article 1 of the definition on Affiliated Companies.

- 7.2.1 In addition to the required information to be submitted by the potential bidder, the potential bidder must also submit to the Agency the following information and evidence:
- (a) name of potential bidder, the address and other contact information and the name and contact details of the representative acting as contact person with the Agency,
 - (b) the following information related to potential bidder:
 - (i) in case the potential bidder is a **natural person**, he must submit a copy of ID or his passport;

(ii) if a potential bidder is a **legal subject**, a copy of business registration certificate and identity of beneficial owners and controlling persons. Identity certificate of beneficial owners and controlling persons is not required from legal subjects located in well-known international exchange lists with regard such lists are available;

(iii) if a potential bidder is a **partnership**, a copy of partnership founding documents and the identity of its partners and beneficial owners and controlling persons; and

(iv) in case a potential bidder is a **consortium** consisting of natural persons, partnerships and companies, a copy of founding documents for that consortium along with copies of ID, passports and information on business registration of consortium members including information on beneficial owners and controlling persons of consortium members;

(c) A written statement whereby bidder confirms he is not a prohibited bidder (as stipulated in article 4 of Rules of Tender)

(ç) Information and evidence confirming potential bidder is not prohibited bidder (as stipulated in article 4 of Rules of Tender)

7.3. All the information and evidences submitted by the potential bidder while applying for eligibility registration must be in writing.

7.4. Information and documents submitted by the potential bidder while applying for eligibility registration must be in one of official languages in Kosovo (Albanian or Serbian) or in English (not including passports and/or ID stipulated in article 7.2, item (i) which may be submitted in the original language based on bidder's choosing).

7.5. At any given moment the Agency, including contract signing phase for the subsidiary or the tendered items may request from the bidder to submit information or additional evidence deemed relevant for the status of eligible bidder.

7.6. Eligibility registration request and attached evidence are reviewed by the assessment committee.

(a) Assessment committee shall admit a eligible potential bidder only if ascertained that he does not fall in the category of prohibited bidders (as stipulated in article 4 of Rules of Tender) and satisfied criteria set out in article 7.2 of Rules of Tender.

(b) Assessment committed shall reject an eligibility registration request of a potential bidder is ascertained potential bidder falls in the category of prohibited bidders (as set out in article 4 of Rules of Tender) and in case such request is lacking respective evidence and despite to advising the submitter by the Agency personnel to complete the file.

7.7. The Agency shall use reasonable efforts to ensure that its staff is maintaining utmost confidentiality of all the information submitted by the potential bidder in the application and evidence attached thereto in order to be registered as eligible bidder and shall not reveal them to third parties except: (a) if required by applicable law or any injunction issued by the court of competent jurisdiction or (b) required by the law enforcement agencies in Kosovo and outside or (c) to any other bodies authorized by the law for background investigations of the Potential Bidders or (d) if a Potential Bidder has otherwise agreed in writing.

- 7.8. The Agency drafts and maintains the Eligible Bidders Register.
- 7.9. After registering the potential bidder in the eligible bidders register, the Agency shall issue the certificate of eligibility which contains the eligibility registration number.
- 7.10. Eligible bidder may use the certificate of eligibility and the eligibility registration number **only** for this tender.
- 7.11. Considering the specifics of this tender, in case that the potential bidder has pre-qualified in any other previous tenders, **such pre-qualification is not valid**.
- 7.12. Assessment committee holds the right to cancel the registration of eligible bidder and erase such bidder from the eligible bidders register at any moment if disqualification causes are revealed set out in article 4.1, of Rules of Tender. Provisions of article 7.11 and 7.13 of Rules of Tender related to decision-making and appeal procedure are executed when cancelling the registration of eligible bidder
- 7.13. Claim may be filed challenging disqualification decision before the Management of Agency within seven days upon receiving the decision. The Management shall urgently decide regarding the claim. The Management decision can be challenged at the Special Chamber.
- 7.14. Disqualified bidder does not have the right to re-apply as eligible bidder except if he presents evidence showing disqualification causes ceased.

Article 8

Bid submission fee and bid deposit

- 8.1. In order to compensate administrative and communication expenses related to reviewing and processing bids by the Agency, each eligible bidder must pay the bid submission fee in the amount of 2,000 € (two thousand euro) for conditional Spin-off. Eligible bidder along with his bid must submit evidence of payment. Bid submission fee is paid via bank transfer in the bank account designated by the Agency for that purpose.
- 8.2. In order to ensure the good will of bidders, each eligible bidder must pay the bid deposit, the amount of which is assigned by the Board, on individual basis for each subsidiary. Bid deposit is paid via bank transfer in the bank account designated by the Agency for that purpose. Eligible bidder along with his bid must submit evidence of payment. The Agency credits the bid deposit paid by the provisional winning bidder from the total amount of highest bid paid to the Agency for conclusion of purchase of subsidiary.
- 8.3. The Agency shall endeavour to return the bid deposit to non-winning bidders within **10 (ten)** working days after completion of bid submission period.
- 8.4. In case the Agency has confiscated the bid deposit from eligible bidder due to reasons set out in Rules of Tender, such deposit shall not be returned to the eligible bidder.

Article 9

Content and bid submission

- 9.1. There shall be only one bidding round during the tender, unless otherwise decided by the Board.
- 9.2. Every eligible bidder has the right to submit a bid. A person submitting a bid should not identify the eligible bidder on whose behalf he is submitting the bid.
- 9.3. Bids must be submitted in one of the official languages in Kosovo (Albanian or Serbian) or in English.
- 9.4. All bids must be submitted in offices of Agency in Prishtina and/or in a location designated by the Agency through tender notice. Bids must be submitted physically at the Agency's committee for bid admission.
- 9.5. Bids must be submitted to the bid admission committee during the bid submission period. Bid admission committee shall not accept bids after the bid submission period is over or bids submitted at some other location than the one stipulated in article 9.4 of the Rules of Tender.
- 9.6. The bid must have the following documents and evidence attached:
 - (a) Following information and documents must be in a sealed envelope with "Additional bid information" imprinted on the exterior side of the envelope:
 - (i) Original of the bid submission form, completed and signed by or on behalf of the eligible bidder;
 - (ii) a copy of eligibility registration certificate;
 - (iii) proof of transfer of bid submission fee to the account designated to that purpose by the Agency;
 - (iv) proof of transfer of bid deposit to the account designated to that purpose by the Agency; and
 - (v) Original of a signed letter by or on behalf of the eligible bidder stating that the eligible bidder agrees to adhere to the conditions, as stipulated in Annex D and Annex F.
 - (b) Bid price must be placed on a separate envelope with "Bid price" imprinted on the exterior part. Annex B to these rules of tender contains a table to calculate total amount of money to be paid to the Agency by the eligible bidder if this bid price of the eligible bidder is deemed highest bid price and the eligible bidder is declared provisional winning bidder. Eligible bidder must complete this table and submit it in a sealed envelope with "Bid Price" imprinted.
 - (c) Sealed envelopes stipulated in item (a) and item (b) of this article must be placed together in a third sealed envelope with "**Bid for tender no. [●]**" imprinted. Exterior part of this envelope must not reveal any information or any other mark that could help identify the eligible bidder.
- 9.7. Bid admission committee, immediately after receiving the bid, shall write the number on the third sealed envelope stipulated in article 9.6, item (c) and the same number shall register in the receipt issued in compliance to article 9.8 of Rules of Tender.

- 9.8. Bid admission committee shall, immediately after registering the number in the receipt, deliver the receipt to the person submitting the bid with the date, hour and minute of bid admission by the Agency. The receipt must be signed by the bid admission committee.
- 9.9. The Bidders are obliged to provide all information and documentation requested by the Agency with the purpose of developing a wellbeing privatisation process and fulfilling the conditions of the Rules of Tender and compliance with applicable law and international best practice.

Article 10

Bid opening

- 10.1. Bids shall be opened by the bid opening committee publicly within three (3) hours after conclusion of bid submission period.
- 10.2. Bid opening committee shall identify and publicly announce all submitted bids to purchase the subsidiary or the tendered items.
- 10.3. Bid opening committee shall identify and publicly announce highest bid to purchase the subsidiary or the tendered items.
- 10.4. The agency shall sell the subsidiary with the highest bid price.

Article 11

Provisional winner background check

- 11.1 Upon submitting the bid, each eligible bidder admits and confirms that if declared provisional winning bidder, then:
- (a) Within two (2) business days of notification in writing that it is declared the Provisional Winning Bidder (as defined in Article 12.1 (a) of the Rules of Tender, the Provisional Winning Bidder shall submit a request in writing to the Kosovo Police, to provide its background information ; and
 - (b) Within the deadline defined in Article 12.1 (a) of the Rules of Tender, the Provisional Winning Bidder shall submit to the Agency official documentation received from Kosovo Police related to the case/cases recorded in official information of Kosovo Police.
 - (c) The Agency reserves the rights to check authenticity of official documentation received by the Provisional Winning Bidder from competent bodies.
- 11.2. In the event that after the Background Checks carried out by the Agency result with evidences which find the Provisional Winning Bidder as Prohibited Bidder, then the Agency, respectively the relevant Unit shall:
- (a) Inform the Evaluation Committee with Background Check results that may disqualify the Provisional Winning Bidder and terminate sales procedure of the Subsidiary or Tendered Item in respect of the Provisional Winning Bidder. On disqualification of the

Provisional Winning Bidder shall be applied provisions of Article 7.12 of the Rules of Tender, which refer to Registration of an Eligible Bidder.

- (b) return initial payment to provisional winning bidder;
- (c) shall not be held responsible for any subsequent loss or damage caused to provisional winning bidder in question.

11.3. Whereas the Agency shall endeavour within its powers to enable rapid background check, such activity is not in Agency's control and consequently the Agency shall not be held responsible for any delay in conclusion of sale of tendered items or any subsequent loss incurred to the provisional winning bidder related to duration of conclusion of background check.

Article 12

Announcement of the provisional winning bidder and Payment of purchase price

12.1 Subject to any other requirements set out in these Rules of Tender, the Subsidiary shall be sold to the highest bidder on the following terms:

- (a) **Within 3 Business Days** of the Bid Submission Period, the Agency shall notify the Highest Bidder that his bid has been ranked as the highest, whereas the notification on decision declaring the Provisional Winning Bidder or rejection of the sale is announced after the Board approves or rejects the sale and the deposit shall not be refunded unless such decision has been brought.
- (b) Based on Board's decision, the Agency shall notify that:
 - (i) If the sale is approved, the same is the Provisional Winning Bidder and within 20 business days shall pay the Initial Payment into the Designated Account, or
 - (ii) If the sale is rejected, the bid deposit will be returned to the Highest Bidder in compliance with the Article 8.3 of this Rules of Tender.

12.2. If background check does not reveal any evidence that would disqualify provisional winning bidder, the Agency shall communicate the result to him with the invitation to pay 75% (seventy-five per cent) of the highest price in the designated account according to following conditions:

- a) **20 (twenty)** working days from the date of notification, if the highest bid price is lower than 1.000.000 € (one million euro), or
- b) **30 (thirty)** working days from the day of notification, if the highest bid price is 1.000.000 € (one million euro) or higher.

12.3. The Provisional Winning Bidder shall be forfeited the right to complete the purchase of the tendered items as well as the bid deposit by the Agency due to:

- (a) Failing to complete the purchase of Initial Payment into the Designated Account, within the set out deadline

- (b) Failing to complete the payment of 75% (seventy five percent) of the Highest Bidder into the Designated Account within the deadline set out in Article 12.2 (a) and (b), and
 - (c) Failing to complete the purchase of tendered items in compliance with Article 7.12, (a) and (b) of the Rules of Tender, which refers to the revoke of Registration of an Eligible Bidder,
- 12.4 Exclusively, eligible bidders shall have their bid deposit returned if ascertained the existence of threat, coercion or any other criminal act against him or his asset, against his family in order to force him to withdraw from the bid, only if an act of accusation is filed and confirmed or a proposal for act of accusation is filed against a person suspected of having been engaged in a criminal act or similar criminal acts.
- 12.5 Means utilized by the provisional winning bidder to pay the highest bid price is not done in cash and must not have the origin of any jurisdiction on the black FATF list.
- 12.6 In the event that the Agency disqualifies the Provisional Winning Bidder (as defined in the Rules of Tender), the Agency shall notify the Second Highest Bidder to complete the purchase of the subsidiary at the Highest Bid Price.
- 12.7 The Second Highest Bidder within three (3) business days shall:
 - (a) Notify the Agency in writing that wants to proceed with the purchase of the subsidiary at the highest bid price, and
 - (b) Transfer the Bid Deposit to a bank account designated for that purpose by the Agency, in case the bid deposit has been repaid to the Second Highest Bidder in accordance with Article 8.3 of the Rules of Tender.
- 12.8 If the Second Highest Bidder does not undertake actions under Article 12.7 (a) and (b) then the Agency reserves the right to consider it as refusal to notification to complete the purchase of the subsidiary.
- 12.9 If the Second Highest Bidder does not want to proceed with the completion of purchase of the subsidiary at the highest bid price, then the Agency shall proceed with the third highest bidder with the offer to purchase the subsidiary with the highest bid price.
- 12.10. Rules of Tender that apply to the First Highest Bidder shall also be applied identically for the Second Highest Bidder. The Rules of Tender applied to the first and the second highest Bidder shall be applied identically for the Third Highest Bidder.
- 12.11 Without limiting the generality of section 17.1 and without prejudice to any of other causes of postponement or cancellation of the Tender set out in these Rules of Tender in the event that a sale to the Highest Bidder, the Second Highest Bidder or the Third Highest Bidder of the Tendered Items is not achievable, in accordance with Rules of Tender, then the Agency shall be entitled to postpone or cancel the Tender as it sees fit.

Article 13

Classification of bids with same price

If there are two or more bids submitted by eligible bidders with same prices then priority is awarded to the bid that was submitted first.

Article 14

Modification and bid withdrawal

- 14.1.** After submitting the bid in the Agency or in the designated place by the Agency, the bidder can not modify in any aspect his bid.
- 14.2** Bidder can not withdraw his bid after its submission to the Agency or in a place designated by the Agency. In case the bidder withdraws his bid after its submission, his bid deposit shall be confiscated, except the cases when the bidder withdraws its bid as set down under Article 12.4 of the Rules of Tender.

Article 15

Sales contract negotiations

- 15.1.**The Agency and provisional winning bidder shall make reasonable endeavours to sign sales contract within 90 (ninety) working days from the official notice to the winning bidder on his selection by the Agency.
- 15.2.** The Agency may, at its discretion by notifying the provisional winning bidder, extend the term stipulated in article 15.1 in case it believes it is reasonably necessary to review any aspect of sale contract or due to other circumstances resulting in delay as for example background check for provisional winner.
- 15.3.** Provisional winning bidder should endeavour to undertake necessary actions to close tender process including actions related to sale contract closure.
- 15.4.** Negotiations between the Agency and provisional winning bidder related to sale contract shall be avoided and provisional winning bidder must not require modification of highest bidding price, tendered items, terms and content of contract or any such action.
- 15.5.** If the negotiations between the Agency and provisional winning bidder related to sale contract are unsuccessful (pursuant to reasonable opinion of the Agency), within the timeframe stipulated in article 15.1 or after any extension of such deadline, the Agency shall:
- (a) have the right to determine the inability to accomplish the sale of tendered items to provisional winning bidder;
 - (b) the Agency shall notify the provisional winning bidder regarding termination of negotiation process and all the amounts paid by the provisional winning bidder, excluding bid submission fee shall be returned to the provisional winning bidder. If the Agency deems the provisional winning bidder did not endeavour to undertake necessary actions to close the tender as stipulated in article 15.3 of Rules of Tender, then bid deposit shall be confiscated from the provisional winning bidder; and

- (c) The agency may, at its discretion , contact next eligible bidder and invite him to purchase tendered items with highest bidding price. In such occasions, provisions of article 12 of Rules of Tender shall be applied accordingly that are related to second and third highest bidders.

Article 16

Signing sales contract

16.1. Sales contract and any other related document shall be signed by one authorized representative of the Agency and one authorized representative of the provisional winning bidder.

16.2. Sales contract and other related documents shall be signed by parties, only after having paid the total amount of highest bidding price and after concluding payments and eventual liabilities related to tender process.

Article 17

Postponement and tender cancellation

17.1. The Board, at its discretion , may postpone and cancel the tender at any moment for any reason.

17.2. Not limiting the generality of article 17.1 and without any prejudice to any other reason for postponement or cancellation of tender set out in Rules of Tender, the Board may decide to postpone or cancel the tender in the following circumstances:

- (a) if during bid submission period no bids have been submitted that satisfy the criteria and terms stipulated by Rules of Tender
- (b) if during bid submission period less than three bids have been submitted
- (c) if, in accordance to Board opinion, highest bid price does not correspond rationally to the perceived value of tendered items. In this case the Board may postpone declaring the provisional winner until later date.
- (ç) if the Agency received indications or has doubts regarding any collusion between bidders or any other illegal or irregular activity caused in relation to tender process.

17.3. In cases when tender was cancelled due to any reason then:

- (a) The Agency notifies in written three bidders with highest bid price regarding such cancellation;
- (b) All admitted bid deposits and any means received by the Agency, besides bid submission fee, shall be returned by the Agency within 15 working days upon cancelling the tender with regard to bid deposits that shall not be returned by the Agency to any bidder whose bid deposit has been confiscated as stipulated in Rules of Tender.

- (c) The Agency shall not be held responsible for any cost or liability arising to any bidder or any third party;

Article 18

Rights reserved by the Agency

18.1. Amendments to time limits

Agency Management may at its discretion extend limits set out in Rules of Tender upon its belief that more time is needed in order to successfully conclude the sale of tendered items or as result of new objective circumstances.

18.2. Amendments to tender requirements

The Agency reserves the right to make amendments, modifications or terminate any procedure set out in these rules of tender, at any moment during tender, without prior notice and without any cost or responsibility to the Agency. Amendments in these rules of tender shall be made in written and made public and a copy of amended rules of tender shall be delivered to each eligible bidder.

18.3. Rejection of the winning bidder

If the Agency reveals that information provided in the application by the provisional winning bidder for registration as eligible bidder or any other information of the provisional winning bidder is false, the Agency may reject a bid of provisional winning bidder and terminate tender procedure related to him. Bid deposit shall be confiscated from the provisional winning bidders. In such occasions, the Agency may contact the next eligible bidder and invite him to declare himself whether he wishes to purchase tendered items with the highest bid price. In that case provisions of article 12 of Rules of Tender shall be applied accordingly that is related to the second and third bidder.

18.4. Contractual relationship

- (a) The purpose of the Rules of Tender is not to constitute an agreement between the Agency and bidders. Consequently, it shall not be deemed any contract exists between the Agency and a bidder only due to participation of such bidder in any aspect in the tender. There shall not exist any legal-binding relationship between the Agency and the provisional winning bidder until sales contract comes into force, therefore the Agency or SOE shall not have any binding relationship to the provisional winning bidder. The Agency has the discretion to approve Provisional Winning Bidder's eventual request to provide security / posting security guards to secure and protect Tendered Items. Agency's approval does not constitute a contractual relationship between the Agency and Provisional Winning Bidder, and therefore, the Agency shall not be held responsible for any costs or liabilities with regard to this matter.
- (b) Share Sale contract for the subsidiary is deemed to enter into force upon signature by both parties, by the Agency and authorized representative of the buyer. Upon signing the sales contract by the abovementioned parties, the bidder shall be considered buyer of the subsidiary or the tendered items.

18.5. *Language*

Rules of Tender are approved in Albanian, Serbian and English.

18.6. *Occasions for cancelling the sales contract*

The Agency may cancel sales contract as in following:

- a) If ascertained that means utilized by the provisional winning bidder to purchase tendered items are generated directly or indirectly from an illegal activity;
- b) If ascertained that during tender process, the buyer has been included in collusion; or,
- c) If ascertained that basic provisions of Rules of Tender have been avoided or violated.
